\*Asset purchase fee is per asset/coin. We recommend keeping a credit card on file with Kingdom Trust Company to cover IRA-related fees so that you are not liquidating or drawing down your crypto holdings.

\*\*Account value is calculated at the end of each month. For example, an account with a total value of \$50,000 would have a monthly fee of \$55.00 (\$20 monthly account fee + \$35 storage fee [50,000\*.0007])
